**Verse 2** Who said that every wish would be heard and answered  
 When wished on the morning star?  
 Somebody thought of that, and someone believed it;  
 Look what it's done so far.  
 What's so amazing that keeps us stargazing  
 And what do we think we might see?  
 Someday we'll find it, the rainbow connection;  
 The lovers, the dreamers, and me.

**Verse 3** Have you been half asleep, and have you heard voices?  
 I've heard them calling my name.  
 Is this the sweet sound that calls the young sailors?  
 The voice might be one and the same.  
 I've heard it too many times to ignore it  
 It's something that I'm s'posed to be.  
 Someday we'll find it, the rainbow connection;  
 The lovers, the dreamers, and me.
