Stay a Little Longer

Sitting in the window, singing to my love,
Slop bucket fell from the window up above.
Mule and the grasshopper eatin' ice cream.
The mule got sick so they laid him on a beam.

Can't go home if you're going by the mill
'Cause the bridge is washed out at the bottom of the hill.
Big Creek's up, Little Creek's level,
Plow my corn with a double shovel.

Grab your gal and pat her on the head.
If she don't like biscuits feed her cornbread.
Girls around Big Creek about half grown,
Jump on a man like a dog on a bone.
