Baby, It's Cold Outside

I really can't stay
I've got to go 'way
This evening has been
So very nice
My mother will start to worry
And father will be pacing the floor
So really I'd better scurry
Well, maybe just a half a drink more
The neighbors might think
Say, what's in this drink?
I wish I knew how
To break the spell
I ought to say no, no, no sir
At least I'm gonna say that I've tried
I really can't stay
Ah, but it's cold outside

I simply must go
The answer is no
The welcome has been
So nice and warm
My sister will be suspicious
My brother will be there at the door
My maiden aunt's mind is vicious
Well, maybe just a cigarette more
I've got to get home
Say, lend me a comb
You've really been grand
But don't you see
There's bound to be talk tomorrow
At least there will be plenty implied
I really can't stay
Ah, but it's cold outside

But baby, it's cold outside
But baby, it's cold outside
Been hoping that you'd drop in
I'll hold your hands, they're just like ice
Beautiful, what's your hurry?
Listen to that fireplace roar
Beautiful, please don't hurry
Put some records on while I pour
But baby, it's bad out there
No cabs to be had out there
Your eyes are like starlight now
I'll take your hat, your hair looks swell
Mind if I move in closer?
What's the sense of hurting my pride?
Oh baby, don't hold out
Baby, it's cold outside

But baby, it's cold outside
But baby, it's cold outside
How lucky that you dropped in
Look out that window at that storm
Gosh, your lips look delicious
Waves upon a tropical shore
Gosh, your lips are delicious
Never such a blizzard before
But baby, you'd freeze out there
It's up to your knees out there
I thrill when you touch my hand
How can you do this thing to me?
Think of my lifelong sorrow
if you caught pneumonia and died
get over that old doubt,
Baby, it's cold outside
