Bottom line is melody

Goin' alone, life is your own, but the cost sometimes is dear.
Bein' complete, knowin' defeat, keepin' on from year to year.
It takes some doin'.

Monkery's the blues you hear, keepin' on from year to year.

Life is a school, 'less you're a fool, but the learnin' brings you pain.
Knowin' at once you're just a dunce, trial and error, loss and gain.
It takes some doin'.

Monkery's a slow, slow train, trial and error, loss and gain.

Findin' your one, place in the sun, doesn't come the easy way.
Shallow ain't deep, nothin' is cheap, measured by the dues you pay.
It takes some doin'.

Monkery's a blue highway, measured by the dues you pay.
