Sheet music for the eighth part of the song. The key signature changes to B♭. The melody starts on B♭, then F, then B♭, then (F⁷). The lyrics are: "Don't think twice, it's all right."

Don't Think Twice, It's All Right

- Verse 2** It ain't no use in turnin' on your light, babe
 That light I never knowed
 An' it ain't no use in turnin' on your light, babe
 I'm on the dark side of the road
 Still I wish there was somethin' you would do or say
 To try and make me change my mind and stay
 We never did too much talking anyway
 So don't think twice, it's all right
- Verse 3** So it ain't no use in callin' out my name, gal
 Like you never did before
 And it ain't no use in callin' out my name, gal
 I can't hear you anymore
 I'm a-thinkin' and a-wond'rin' all the way down the road
 I once loved a woman, a child I'm told
 I give her my heart but she wanted my soul
 But don't think twice, it's all right
- Verse 4** I'm walkin' down that long, lonesome road, babe
 Where I'm bound, I can't tell
 But goodbye's too good a word, gal
 So I'll just say, "Fare thee well"
 I ain't sayin' you treated me unkind
 You could have done better but I don't mind
 You just kinda wasted my precious time
 But don't think twice, it's all right
