Help the Poor

Say you will; say you'll help me on.
I can't make it no further in this world alone.
Baby, I'm beggin', with tears in my eyes,
For your lovin'; don't you realize?
I need help; oh, baby, help poor me.

Help the poor; baby, help poor me.
Have a heart, won't you, baby; listen to my plea.
I lost my courage till I found you.
You got what it takes, baby, to pull me through.
Help the poor; oh, baby, won't you help poor me.
